*Before creation shaped the world, eternally God reigned alone.  
But only with creation done, could God as Sovereign be known.  
When all is ended, God alone will reign in awesome majesty.  
God was, God is, always will be glorious in eternity.  
God is unique and without peer, with none at all to be compared.  
Without beginning, endlessly, God's vast dominion is not shared.  
But still – my God, my only hope, my one true refuge in distress,  
My shelter sure, my cup of life, with goodness real and limitless.  
I place my spirit in God's care; My body too can feel God near.*

Guide its leaders and advisors with Your light and Your truth. Help them with your good council. Strengthen the hands of those who defend our holy land. Deliver them; crown their efforts with triumph. Bless the land with peace, and its inhabitants with lasting joy. And let us say: Amen*

## Prayer for our Country

Our God and God of our ancestors: We ask Your blessings for our country- for its government, for its leaders and advisors, and for all who exercise just and rightful authority. Teach them insights from Your Torah, that they may administer all affairs of state fairly, that peace and security, happiness and prosperity, justice and freedom may forever abide in our midst.

Creator of all flesh, bless all the inhabitants of our country with Your spirit. May citizens of all races and creeds forge a common bond in true harmony, to banish hatred and bigotry, and to safeguard the ideals and free institutions that are the pride and glory of our country.

May this land, under Your providence, be an influence for good throughout the world, uniting all people in peace and freedom- helping them to fulfill the vision of Your prophet: "Nation shall not lift up sword against nation, neither shall they learn war any more." And let us say, Amen.

## **59th Street Bridge Song [Feelin' Groovy]**

By: Simon and Garfunkel

Slow down, you move too fast.  
You got to make the morning last.  
Just kicking down the cobblestones.  
Looking for fun and feelin' groovy.  
Ba da, Ba da, Ba da, Ba da...Feelin' Groovy.

Hello lamppost, What cha knowin'?  
I've come to watch your flowers growin'.  
Ain't cha got no rhymes for me?  
Doot-in' doo-doo, Feelin' groovy.

I've got no deeds to do, No promises to keep.  
I'm dappled and drowsy and ready to sleep.  
Let the morning time drop all its petals on me.  
Life, I love you, All is groovy.

## After The Goldrush

By: Neil Young

Well, I dreamed I saw the knights  
In armor coming,  
Saying something about a queen.  
There were peasants singing and  
Drummers drumming  
And the archer split the tree.  
There was a fanfare blowing  
To the sun  
That was floating on the breeze.  
Look at Mother Nature on the run  
In the nineteen seventies.  
Look at Mother Nature on the run  
In the nineteen seventies.

I was lying in a burned out basement  
With the full moon in my eyes.  
I was hoping for replacement  
When the sun burst thru the sky.  
There was a band playing in my head  
And I felt like getting high.  
I was thinking about what a  
Friend had said  
I was hoping it was a lie.  
Thinking about what a  
Friend had said  
I was hoping it was a lie.

Well, I dreamed I saw the silver  
Space ships flying  
In the yellow haze of the sun,  
There were children crying  
And colors flying  
All around the chosen ones.  
All in a dream, all in a dream  
The loading had begun.  
They were flying Mother Nature's  
Silver seed to a new home in the sun.  
Flying Mother Nature's  
Silver seed to a new home.

## **All My Loving**

By: The Beatles

Close your eyes and I'll kiss you,  
Tomorrow I'll miss you  
Remember I'll always be true.  
And then while I'm away,  
I'll write home every day,  
And I'll send all my loving to you.

I'll pretend that I'm kissing  
The lips I am missing  
And hope that my dreams will come true.  
And then while I'm away,  
I'll write home every day,  
And I'll send all my loving to you.

All my loving I will send to you  
All my loving, darling I'll be true

Close your eyes and I'll kiss you,  
Tomorrow I'll miss you  
Remember I'll always be true.  
And then while I'm away,  
I'll write home ev'ry day,  
And I'll send all my loving to you

All my loving I will send to you.  
All my loving darling I'll be true.  
All my loving all my loving ooh  
All my loving I will send to you

Od av-in-u chai [2x]  
Od av-in-u od av-in-u od av-in-u chai [repeat verse]

*The Jewish people lives! Our Father lives!*

## American Pie

By: Don McLean

A long, long time ago,  
I can still remember how that music used to make me smile  
And I knew if I had my chance,  
That I could make those people dance  
And maybe they'd be happy for a while  
But February made me shiver, with every paper I'd deliver  
Bad news on the doorstep, I couldn't take one more step  
I can't remember if I cried when I read about his widowed bride  
Something touched me deep inside  
The day the music died

[Chorus]

So bye, bye Miss American Pie  
Drove my Chevy to the levy but the levy was dry  
And them good old boys were drinkin' whiskey and rye  
Singin' this will be the day that I die, this will be the day that I die

Did you write the book of love  
And do you have faith in G-d above, if the bible tells you so?  
Do you believe in rock and roll  
Can music save your mortal soul  
And can you teach me how to dance real slow?  
Well I know that you're in love with him  
'Cuz I saw you dancin' in the gym  
You both kicked off your shoes, man I dig those rhythm and blues  
I was a lonely teenage broncin' buck  
With a pink carnation and a pickup truck  
But I knew I was out of luck  
The day the music died, I started singin' [Chorus]

Now for ten years we've been on our own,  
And moss grows fat on a rolling stone,  
But that's not how it used to be  
When the jester sang for the king and queen,  
In a coat he borrowed from James Dean  
In a voice that came from you and me  
And while the king was looking down,  
The jester stole his thorny crown  
The courtroom was adjourned, no verdict was returned  
And while Lenin read a book on Marx,  
The quartet practiced in the park  
And we sang dirges in the dark  
The day the music died, we were singin' [Chorus]

Helter skelter in a summer swelter  
The birds flew off with a fallout shelter,  
Eight miles high and falling fast  
It landed foul on the grass  
The players tried for a forward pass,  
With the jester on the sidelines in a cast  
Now at halftime there was sweet perfume,  
While sergeants played a marching tune  
We all got up to dance, but we never got the chance  
'Cuz the players tried to take the field,  
The marching band refused to yield  
Do you recall what was revealed  
The day the music died, we started singin' [Chorus]

And there we were all in one place,  
A generation lost in space,  
With no time left to start again  
So come on Jack be nimble, Jack be quick,  
Jack Flash sat on a candle stick,  
'Cuz fire is the devil's only friend  
And as I watched him on the stage,  
My hands were clenched in fists of rage  
No angel born in hell could break that Satan's spell  
And as the flames climbed high into the night  
To light the sacrificial rite  
I saw Satan laughing with delight  
The day the music died, he was singin' [Chorus]

I met a girl who sang the blues  
And I asked her for some happy news,  
But she just smiled and turned away  
I went down to the sacred store  
Where I'd heard the music years before,  
But the man there said the music wouldn't play  
But in the streets the children screamed,  
The lovers cried and the poets dreamed  
But not a word was spoken,  
The church bells all were broken  
And the three men I admire most,  
The Father, Son, and the Holy Ghost  
They caught the last train for the coast  
The day the music died, and they were singin' [Chorus]

## **Ani V'Atah**

By Miki Gavrielov and Arik Einstein

Ani v'atah n'shaneh et ha-olam  
Ani v'atah as yavo-u k'var kulam

[Chorus]

Am'ru et zeh kodem l'fanai zeh lo m'shaneh  
Ani v'atah n'shaneh et ha-olam

Ani v'atah n'naseh mey hat chalah  
Yih'yeh lanu ra ayn davar zeh lo nora [Chorus]

*You and I will change the world, you and I, then all will join us.  
Though it's been said before, it doesn't matter, you and I will change the  
world.*

*You and I will start from the beginning. It may be difficult, but it's  
nothing, it's not so terrible.*

## **Bayom Hahu**

music/English: Barry Kanarek; text: Zechariah 14:9

Though the time be far I know that come it will  
When each nation shall each other bless  
And peace the earth shall fill.

[Chorus]

And God shall reign over the earth  
On that day God shall be one, and Your name, it shall be one.

Bayom hahu yih'yeh Adonai echad, ush'mo echad  
Bayom hahu yh'yeh Adonai echad.

On that dawn of peace we'll smash that spear of war  
And every man beneath the vine and fig; shall be afraid no more.

And it shall come to pass that peace is what we'll find Then we'll  
join our hands with fellow man, across the border line.

## **Better Together**

By Jack Johnson

There's no combination of words  
I could put on the back of a postcard  
No song that I could sing  
But I can try for your heart  
Our dreams, and they are made out of real things  
Like a, shoebox of photographs  
With sepia tone loving

Love is the answer,  
At least for most of the questions in my heart  
Like why are we here?  
And where do we go?  
And how come it's so hard?  
It's not always easy and  
Sometimes life can be deceiving  
I'll tell you one thing it's always better when we're together

Mmm it's always better when we're together  
Yeah, we'll look at the stars when we're together  
Well, it's always better when we're together  
Yeah, it's always better when we're together

And all of these moments  
Just might find their way into my dreams tonight  
But I know that they'll be gone  
When the morning light sings  
And brings new things  
For tomorrow night you see  
That they'll be gone too  
Too many things I have to do

But if all of these dreams might find their way  
Into my day to day scene  
I'd be under the impression I was somewhere in between  
With only two  
Just me and you  
Not so many things we got to do  
Or places we got to be  
We'll sit beneath the mango tree now

It's always better when we're together  
Mmmm, we're somewhere in between together  
Well, it's always better when we're together

Yeah, it's always better when we're together

I believe in memories  
They look so, so pretty when I sleep  
Hey now, and when I wake up,  
You look so pretty sleeping next to me

But there is not enough time,  
And there is no, no song I could sing  
And there is no, combination of words I could say  
But I will still tell you one thing  
We're better together.

### **Big Yellow Taxi**

By: Joni Mitchell

They paved Paradise, they put up a parking lot  
With a pink hotel, a boutique, and a swingin' hot spot

[Chorus]

Don't it always seem to go  
That you don't know what you got till it's gone?  
They paved Paradise, they put up a parking lot

They took all the trees, they put them in a tree museum  
And they charged the people a dollar and a half just to see 'em [Chorus]

Hey farmer, farmer, put away that DDT now  
Give me the spots on my apples, but leave me the birds and the bees, [please!]

[Chorus]

Late last night, I heard that screen door slam  
And a big yellow taxi took away my old man [Chorus]

## **Bless This House**

By: Steve Sher

Bless this house for we are all together  
Bless us all, we may not meet again  
Think of all the happiness we've found here  
Take it home and share it with a friend

Come along, sing a song, and you'll never say goodbye  
And you'll see, and agree, friendships won need never die

## **Blowin' In The Wind**

By: Bob Dylan

How many roads must a man walk down, before you can call him a man?  
How many seas must a white dove sail, before she sleeps in the sand?  
Yes, how many times must the cannon balls fly, before they're forever banned?

[Chorus]

The answer my friend is blowin' in the wind  
The answer is blowin' in the wind.

Yes, how many years can a mountain exist, before it's washed to the sea?  
Yes, how many years can some people exist, before they're allowed to be free?  
Yes, how many times can a man turn his head, pretending he just doesn't see?

[Chorus]

Yes, how many times must a man look up, before he can see the sky?  
Yes, how many ears must one man have, before he can hear people cry?  
Yes, how many deaths will it take till he knows, that too many people have died?

[Chorus]

## **Brown Eyed Girl**

By: Van Morrison

Hey where did we go, days when the rains came?  
Down in the hollow, playin' a new game,  
Laughing and a running hey hey, skipping and a jumping  
In the misty morning fog with our hearts a thumpin' and you  
My brown eyed girl,  
You my brown eyed girl.

Whatever happened, to Tuesday and so slow  
Going down the old mine with a transistor radio  
Standing in the sunlight laughing, hiding behind a rainbow's wall,  
Slipping and sliding, all along the water fall, with you  
My brown eyed girl,  
You my brown eyed girl.

[Chorus]

Do you remember when we used to sing,  
Sha la la la la la la la la la de da

So hard to find my way, now that I'm all on my own.  
I saw you just the other day, my how you have grown,  
Cast my memory back there, Lord, Sometimes I'm overcome thinking about it  
Making love in the green grass, hey hey, behind the stadium with you  
My brown eyed girl,  
You my brown eyed girl

[Chorus]

## Cat's In the Cradle

By: Harry Chapin

My child arrived just the other day  
He came to the world in the usual way  
But there were planes to catch and bills to pay  
He learned to walk while I was away  
And he was talkin' 'fore I knew it, and as he grew  
He'd say "I'm gonna be like you dad  
You know I'm gonna be like you"

[Chorus]

And the cat's in the cradle and the silver spoon  
Little boy blue and the man on the moon  
When you comin' home dad? I don't know when,  
But we'll get together then son  
You know we'll have a good time then

My son turned ten just the other day  
He said, "Thanks for the ball, Dad, come on let's play  
Can you teach me to throw", I said "Not today  
I got a lot to do", he said, "That's ok"  
And he walked away but his smile never dimmed  
And said, "I'm gonna be like him, yeah  
You know I'm gonna be like him" [Chorus]

Well, he came home from college just the other day  
So much like a man I just had to say  
"Son, I'm proud of you, can you sit for a while?"  
He shook his head and said with a smile  
"What I'd really like, Dad, is to borrow the car keys  
See you later, can I have them please?" [Chorus]

I've long since retired, my son's moved away  
I called him up just the other day  
I said, "I'd like to see you if you don't mind"  
He said, "I'd love to, Dad, if I can find the time  
You see my new job's a hassle and kids have the flu  
But it's sure nice talking to you, Dad  
It's been sure nice talking to you"  
And as I hung up the phone it occurred to me  
He'd grown up just like me  
My boy was just like me [Chorus]

## **Circle Game**

By: Joni Mitchell

Yesterday a child came out to wander,  
Caught a dragonfly inside a jar.  
Fearful when the sky was full of thunder,  
And tearful at the falling of a star.

[Chorus]

And the seasons they go round and round.  
And the painted ponies go up and down.  
We're captive on a carousel of time.  
We can't return we can only look  
Behind from where we came,  
And go round and round and round in the circle game.

Then the boy moved ten times round the seasons,  
Skated over ten clear frozen streams.?  
Words like "When you're older" must appease him,  
And promises of someday make his dreams.[Chorus]

Sixteen springs and sixteen summers gone now.  
Cartwheels turn to car wheels 'round the town.  
And they tell him "Take your time, it won't be long now,  
Till you drag your feet to slow the circle down." [Chorus]

So the years went by and now the boy is twenty.  
Though his dreams have lost some grandeur coming true.  
There'll be new dreams, maybe better dreams and plenty,  
Before the last revolving year is through. [Chorus]

## **Closer To Fine**

By: The Indigo Girls

I'm trying to tell you something about my life  
Maybe give me insight between black and white  
The best thing you've ever done for me  
Is to help me take my life less seriously, it's only life after all

Well darkness has a hunger that's insatiable  
And lightness has a call that's hard to hear  
I wrap my fear around me like a blanket  
I sailed my ship of safety till I sank it, I'm crawling on your shore.

[Chorus]

I went to the doctor, I went to the mountain  
I looked to the children, I drank from the fountain  
There's more than one answer to these questions  
Pointing me in crooked line  
And the less I seek my source for some definitive  
The closer I am to fine.

I went to see the doctor of philosophy  
With a poster of Rasputin and a beard down to his knee  
He never did marry or see a B-grade movie  
He graded my performance, he said he could see through me  
I spent four years prostrate to the higher mind,  
Got my paper and I was free. [Chorus]

I stopped by the bar at 3 a.m.  
To seek solace in a bottle or possibly a friend  
I woke up with a headache like my head against a board  
Twice as cloudy as I'd been the night before  
I went in seeking clarity

We go to the doctor, we go to the mountain  
We look to the children, we drink from the fountain  
We go to the bible, we go through the workout  
We read up on revival, and we stand up for the lookout  
There's more than one answer to these questions  
Pointing me in a crooked line  
The less I seek my source for some definitive  
The closer I am to fine

## **Closing Time**

By: Semisonic

Closing time, open all the doors and let you out into the world.  
Closing time, turn all of the lights on over every boy and every girl.

Closing time, one last call for alcohol, so finish your whiskey or beer.  
Closing time, you don't have to go home but you can't stay here.

[Chorus]

I know who I want to take me home [3x]

Take me home

Closing time, time for you to go out to the places you will be from.  
Closing time, this room won't be open 'til your brothers or your sisters come.

So gather up your jackets, and move it to the exits. I hope you have found a friend.  
Closing time, every new beginning comes from some other beginning's end. [Chorus]

Closing time, time for you to go out to the places you will be from. [Chorus]

Closing time, every new beginning comes from  
Some other beginning's end...

## **Comes A Time**

By: Neil Young

Comes a time, when you're driftin'  
Comes a time when you settle down  
Comes a light, feelin's liftin'  
Lift that baby right up off the ground.

[Chorus]

Oh, this old world keeps spinning round  
It's a wonder tall trees ain't layin' down  
There comes a time.

You and I we were captured  
We took our souls and we flew away  
We were right we were giving  
That's how we kept what we gave away.

[Chorus]

## **Company**

By: Dean Friedman

Got a rich man's dream, wanna swap my taxi on a limousine.  
Wanna cash it in, wanna give it all away.  
Got a poor man's needs, beans in the bucket and love in the sheets.  
And your sandy eyes makin' it all alright.  
Something's callin' on me

[Chorus]

And I don't know where I'm going.  
I don't know where I'm going.  
I've got no place to be.  
Honey, keep me company.

Woke peacefully in a town somehow in New Jersey  
In my mama's arms rockin' to the radio  
Now I sing myself to sleep in apartment 4 building G  
Gotta lock the door, gotta hide the key. [Chorus]

Maybe one day, I'll be a famous man with an L.A. tan  
A million fans, a catamaran floating movie star  
Maybe one day, I'll be a bum in the gutter with a bottle in my hands,  
And your sandy eyes makin' it all right. [Chorus]

## **Cowgirl In The Sand**

By: Neil Young

Hello cowgirl in the sand. Is this place at your command?  
Can I stay here for a while? Can I see your sweet, sweet smile?

[Chorus]

Old enough now to change your name  
When so many love you is it the same?  
It's the woman in you that makes you want to  
Play this game.

Hello ruby in the dust. Has your band begun to rust?  
After all the sin we've had, I was hopin' that we'd turn back. [Chorus]

Hello woman of my dreams. This is not the way it seems.  
Purple words on a grey background; to be a woman and to be turned down. [Chorus]

## **Danny's Song**

By: Kenny Loggins

People smile and tell me I'm the lucky one,  
And we've just begun, think I'm gonna have a son.  
He will be like she and me, as free as a dove,  
Conceived in love, the sun is gonna shine above.

[Chorus]

And even though we ain't got money,  
I'm so in love with you honey,  
And everything will bring a chain of love.  
And in the morning when I rise,  
You bring a tear of joy to my eyes,  
And tell me everything is gonna be alright.

Seems as though a month ago I was beta chi,  
Never got high, oh I was a sorry guy.  
And now a smile, a face, a girl that shares my name,  
Now I'm through with the game, this boy will never be the same. [Chorus]

Pisces, Virgo rising is a very good sign,  
Strong and kind, and the little boy is mine.  
Now I see a family where there once was none,  
Now we've just begun, yeah, we're gonna fly to the sun. [Chorus]

Love the girl who holds the world in a paper cup,  
Drink it up, love her and she'll bring you luck.  
And if you find she helps your mind, buddy, take her home,  
Don't you live alone, try to earn what lovers own. [Chorus]

## **Dreamer**

What did we do when we needed corn?  
We plowed and we sowed 'til the early morn [2x]

[Chorus]

For our hands are strong and our hearts are young  
And the dreamer keeps a dreamin' ages long.  
Keeps a dreamin' Keeps a dreamin' along [ba da da da da]

What did we do when we needed a town?  
We hammer and we nailed 'til the sun went down [2x] [Chorus]

What did we do when it's peace we want,  
When it's more than a man can build or plant  
We'll gather all our friends from the ends of the earth,  
To lend a hand in its hour of birth. [Chorus]

We'll plow, we'll sow, we'll hammer and we'll nail.  
We'll work all day 'til peace is real

## **Eight Days A Week**

By: The Beatles

Ooh I need your love babe, Guess you know it's true.  
Hope you need my love babe, just like I need you

[Chorus]

Hold me, love me, hold me, love me.  
I ain't got nothin' but love babe, Eight days a week.

Love you every day girl,  
Always on my mind. One thing I can say girl,  
Love you all the time [Chorus]

Eight days a week I love you.  
Eight days a week  
Is not enough to show I care.

Ooh I need your love babe, Guess you know it's true.  
Hope you need my love babe, just like I need you [Chorus]

Eight days a week  
Eight days a week

## Farmhouse

By: Phish

Welcome this is a farmhouse  
We have cluster flies alas  
And this time of year is bad  
We are so very sorry  
There is little we can do  
But swat them

She didn't beg, oh not enough  
She didn't stay when things got tough  
I told a lie and she got mad  
She wasn't there when things got bad

[Chorus]

I never ever saw the northern lights  
I never really heard of cluster flies  
I never really saw the stars so bright  
In the farmhouse things will be all right [2x]

Woke this morning to the stinging lash  
Every man rise from the ash  
Each betrayal begins with trust  
Every man returns to dust [Chorus]

## **Father and Son**

By: Cat Stevens

It's not time to make a change, just relax and take it easy  
You're still young, that's your fault, there's so much you have to go through  
Find a girl, settle down, if you want, you can marry,  
Look at me, I am old, but I'm happy.

I was once like you are now, and I know that it's not easy  
To be calm, when you've found something goin' on.  
Take your time, think a lot, think of everything you've got  
For you'll still be here tomorrow, but your dreams may not.

How can I try to explain, if I do he turns away again,  
And it's always been the same, same old story.  
From the moment I could talk, I was ordered to listen  
Now there's a way, and I know that I have to go away.

I know I have to go.  
It's not time to make a change, just sit down, take it slowly,  
You're still young, that's your fault there's so much you have to know.  
Find a girl, settle down, if you want you can marry.  
Look at me, I am old, but I'm happy.

## **Fire and Rain**

By: James Taylor

Just yesterday morning they let me know you were gone  
Suzanne the plans they made put an end to you  
I walked out this morning and I wrote down this song  
I just can't remember who to send it to

[Chorus]

I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again

Won't you look down upon me, God  
You've got to help me make a stand  
You've just got to see me through another day  
My body's aching and my time is at hand  
And I won't make it any other way [Chorus]

Been walking my mind to an easy time my back turned towards the sun  
Lord knows when the cold wind blows it'll turn your head around  
Well, there's hours of time on the telephone line to talk about things to come  
Sweet dreams and flying machines in pieces on the ground [Chorus]

Thought I'd see you one more time again  
There's just a few things coming my way this time around, now  
Thought I'd see you, thought I'd see you fire and rain, now....

## **For What It's Worth**

By: Buffalo Springfield

There's something happening here  
What it is ain't exactly clear  
There's a man with a gun over there  
Telling me I got to beware

[Chorus]

I think it's time we stop, hey, what's that sound  
Everybody look what's going down

There's battle lines being drawn  
Nobody's right if everybody's wrong  
Young people speaking their minds  
Getting so much resistance from behind [Chorus]

What a field day for the heat  
A thousand people in the street  
Singing songs and carrying signs  
Mostly say, hooray for our side [Chorus]

Paranoia strikes deep  
Into your life it will creep  
It starts when you're always afraid  
You step out of line, the man come and take you away

[Chorus 2x]

## **Friend Of The Devil**

By: The Grateful Dead

I lit out from Reno, I was trailed by twenty hounds  
Didn't get to sleep that night 'til the morning came around

[Chorus]

Set out runnin', but I take my time  
A friend of the Devil is a friend of mine  
If I get home before daylight  
Just might get some sleep tonight

Ran into the Devil, babe, he loaned me twenty bills  
Spent the night in Utah in a cave up in the hills [Chorus]

I ran down to the levee, but the Devil caught me there  
Took my twenty dollar bill and he vanished in the air [Chorus]

Got two reasons why I cry away each lonely night  
The first one's named sweet Anne Marie, and she's my heart's delight  
Second one is prison, baby, the sheriff's on my trail  
And if he catches up with me, I'll spend my life in jail

Got a wife in Chino, babe, and one in Cherokee  
First one say she's got my child, but it don't look like me [Chorus]

## **Good Riddance [Time Of Your Life]**

By Green Day

Another turning point, a fork stuck in the road.  
Time grabs you by the wrist, directs you where to go.  
So make the best of this test and don't ask why,  
It's not a question but a lesson learned in time.

[Chorus]

It's something unpredictable, but in the end it's right.  
I hope you had the time of your life

So take the photographs and still frames in your mind.  
Hang it on a shelf of good health and good time.  
Tattoos of memories, dead skin on trial.  
For what it's worth, it was worth all the while. [Chorus 2x]

## **Hallelu [Kol Hanshamah]**

Music: Sufi chant and Rabbi Rolly Matalon

Text: Psalm 150:6

Hallelu hallelu hallelu Hallelu hallelu hallelu [repeat verse]

Kol han'shamah t'haleil yah Hallelu halleluyah [repeat verse]

*Hallelu. Let everything with breath praise God, Halleluyah!*

## **Hallelujah**

By: Leonard Cohen

Now I've heard there was a secret chord  
That David played and it pleased the Lord,  
But you don't really care for music, do you?  
It goes like this: the fourth, the fifth  
The minor fall, the major lift,  
The baffled king composing Hallelujah!

[Chorus]

Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah!

Your faith was strong but you needed proof.  
You saw her bathing on the roof;  
Her beauty and the moonlight overthrew you.  
But she tied you to a kitchen chair  
She broke your throne, she cut your hair,  
And from your lips she drew the Hallelujah! [Chorus]

Baby, I've been here before.  
I know this room, I've walked this floor.  
I used to live alone before I knew you.  
I've seen your flag on the marble arch,  
Love is not a victory march.  
It's a cold and it's a broken Hallelujah! [Chorus]

Now maybe there's a God above  
But all I ever learned from love  
Is how to shoot at someone who outdrew you.  
And it's not a cry that you hear at night,  
It's not somebody who's seen the light,  
It's a cold and it's a broken Hallelujah! [Chorus]

## **Here Comes The Sun**

By: The Beatles

[Chorus]

Here comes the sun, do do do do

Here comes the sun, and I say

It's all right

Little darling, it's been a long cold lonely winter  
Little darling, it feels like years since it's been here

[Chorus]

Little darling, the smiles returning to the faces  
Little darling, it seems like years since it's been here

[Chorus]

Sun, sun, sun, here it comes [3X]

Little darling, I feel that ice is slowly melting  
Little darling, it seems like years since it's been clear

[Chorus]

## Hotel California

By: The Eagles

On a dark desert highway, cool wind in my hair  
Warm smell of colitas rising up through the air  
Up ahead in the distance, I saw a shimmering light  
My head grew heavy, and my sight grew dim,  
I had to stop for the night

There she stood in the doorway, I heard the mission bell  
And I was thinking to myself, this could be Heaven or this could be Hell  
Then she lit up a candle, and she showed me the way  
There were voices down the corridor, I thought I heard them say

[Chorus]

Welcome to the Hotel California  
Such a lovely place, [such a lovely place] such a lovely place  
Plenty of room at the Hotel California  
Any time of year, [any time of year], you can find it here

Her mind is Tiffany twisted, she's got the Mercedes bends  
She's got a lot of pretty, pretty boys she calls friends  
How they dance in the courtyard, sweet summer sweat  
Some dance to remember, some dance to forget  
So I called up the Captain, please bring me my wine, he said  
We haven't had that spirit here since 1969  
And still those voices are calling from far away  
Wake you up in the middle of the night, just to hear them say

Welcome to the Hotel California  
Such a lovely face, [such a lovely face], such a lovely face  
They're livin' it up at the Hotel California  
What a nice surprise, [what a nice surprise], bring your alibis

Mirrors on the ceiling and pink champagne on ice, and she said  
We are all just prisoners here of our own device  
And in the master's chambers, they gathered for the feast  
They stabbed it with their steely knives but they just can't kill the beast

Last thing I remember I was running for the door  
I had to find the passage back to the place I was before "Relax," said the night man,  
"We are programmed to receive  
You can check out any time you like but you can never leave" [Chorus]

## **House At Pooh Corner**

By: Kenny Loggins

Christopher Robin and I walked along  
Under branches lit up by the moon  
Posing our questions to owl and Eeyore  
As our days disappeared all to soon  
But I wandered much further today than I should  
And I can't seem to find my way back to the wood

[Chorus]

So help me if you can I've got to get  
Back to the house at Pooh corner by one  
You'd be surprised there's so much to be done  
Count all the bees in the hive, chase all the clouds from the sky  
Back to the days of Christopher Robin and Pooh

Winnie the Pooh doesn't know what to do  
Got a honey jar stuck on his nose  
So he came to me asking help and advice  
And from here no one knows where he goes  
So I sent him to ask of the owl if he's there  
How to loosen a jar from the nose of a bear [Chorus]

## **How Sweet It Is [To Be Loved By You]**

By: Lamont Dozier, Brian Holland, and Edward Holland Jr.

[Chorus]

How sweet it is to be loved by you [2x]

I needed the shelter of someone's arms, there you were  
I needed someone to understand my ups and downs, there you were

With sweet love and devotion

Deeply touching my emotion

I want to stop and thank you baby

I want to stop and thank you baby [yes I do] [Chorus]

I close my eyes at night

Wondering where would I be without you in my life

Everything I did was just a bore

Everywhere I went it seems I'd been there before

But you brighten up for me all of my days

With a love so sweet in so many ways

I want to stop and thank you baby

I just want to stop and thank you baby [woah, yeah] [Chorus]

You were better to me than I was to myself

For me, there's you and there ain't nobody else

I want to stop and thank you baby

I just want to stop and thank you baby [woah, yes] [Chorus 2x]

## **I Can See Clearly Now**

By: Johnny Nash

[Chorus]

I can see clearly now the rain is gone.

I can see all obstacles in my way.

Gone are the dark clouds that had me blind.

It's gonna be a bright [bright] bright [bright] shiny day. [2x]

I think I can make it now the pain is gone. All of the bad feelings have  
disappeared. Here is that rainbow I've been praying for.

It's gonna be a bright [bright] Bright [bright] shiny day.

Look all around, there's nothing but blue skies.

Look straight ahead, there's nothing but blue skies. [Chorus]

## **I Know You Rider**

By: The Grateful Dead

I know you rider, gonna miss me when I'm gone  
I know you rider, gonna miss me when I'm gone  
Gonna miss your baby, from rolling in your arms

Lay down last night, Lord, I could not take my rest  
Lay down last night, Lord, I could not take my rest  
My mind was wandering like the wild geese in the West

The sun will shine in my back door some day  
The sun will shine in my back door some day  
March winds will blow all my troubles away

I wish I was a headlight on a north-bound train  
I wish I was a headlight on a north-bound train  
I'd shine my light through the cool Colorado rain

I know you rider, gonna miss me when I'm gone  
I know you rider, gonna miss me when I'm gone  
Gonna miss your baby, from rolling in your arms  
Gonna miss your baby, from rolling in your arms

## **I Shall Be Released**

By: Bob Dylan

They say ev'rything can be replaced  
Yet ev'ry distance is not near  
So I remember ev'ry face  
Of ev'ry man who put me here

I see my light come shining  
From the west unto the east  
Any day now, any day now  
I shall be released

They say ev'ry man needs protection  
They say ev'ry man must fall  
Yet I swear I see my reflection  
Some place so high above this wall

I see my light come shining  
From the west unto the east  
Any day now, any day now  
I shall be released

Standing next to me in this lonely crowd  
Is a man who swears he's not to blame  
All day long I hear him shout so loud  
Crying out that he was framed

I see my light come shining  
From the west unto the east  
Any day now, any day now  
I shall be released

## **I Will Follow You Into The Dark**

By Death Cab For Cutie

Love of mine, someday you will die  
But I will be close behind, I'll follow you into the dark  
No blinding light or tunnels to gates of white  
Just our hands clasped so tight waiting for the hint of a spark

[Chorus]

If heaven and hell decide that they both are satisfied  
And illuminate the "no's", on their vacancy signs  
If there's no one beside you, when your soul embarks  
Then I'll follow you into the dark [Repeat line at End]

In Catholic school, as vicious as Roman rule  
I got my knuckles bruised by a lady in black  
And I held my tongue as she told me, "Son,  
Fear is the heart of love." So I never went back [Chorus]

You and me have seen everything to see  
From Bangkok to Calgary and the soles of your shoes  
Are all worn down, the time for sleep is now  
But it's nothing to cry about 'cause we'll hold each other soon,  
In the blackest of rooms

## **If I Had A Hammer**

By: Lee Hays and Pete Seeger

If I had a hammer, I'd hammer in the morning,  
I'd hammer in the evening all over this land  
I'd hammer out danger, I'd hammer out warning,  
I'd hammer out the love between my brothers and my sisters,  
All over this land

If I had a bell, I'd ring it in the morning...  
If I had a song, I'd sing it in the morning...

Well, I've got a hammer, and I've got a bell,  
And I've got a song to sing all over this land  
It's the hammer of justice, it's the bell of freedom,  
It's the song about love between my brothers and my sisters,  
All over this land

## **If I Had a Million Dollars**

By: Barenaked Ladies

If I had a million dollars [If I had a million dollars]  
I'd buy you a house [I would buy you a house]  
If I had a million dollars [If I had a million dollars]  
I'd buy you furniture for your house [Maybe a nice chesterfield or an ottoman]  
And if I had a million dollars [If I had a million dollars]  
Well, I'd buy you a K-Car [A nice Reliant automobile]  
If I had a million dollars I'd buy your love

If I had a million dollars  
I'd build a tree fort in our yard  
If I had million dollars  
You could help, it wouldn't be that hard  
If I had million dollars  
Maybe we could put like a little tiny fridge in there somewhere  
You know, we could just go up there and hang out  
Like open the fridge and stuff  
There would already be laid out foods for us  
Like little pre-wrapped sausages and things

They have pre-wrapped sausages but they don't have pre-wrapped bacon  
Well, can you blame 'em  
Uh, yeah

If I had a million dollars [If I had a million dollars]  
Well, I'd buy you a fur coat [But not a real fur coat that's cruel]  
And if I had a million dollars [If I had a million dollars]  
Well, I'd buy you an exotic pet [Yep, like a llama or an emu]  
And if I had a million dollars [If I had a million dollars]  
Well, I'd buy you John Merrick's remains [Ooh, all them crazy elephant bones]  
And If I had a million dollars I'd buy your love

If I had a million dollars  
We wouldn't have to walk to the store  
If I had a million dollars  
Now, we'd take a limousine 'cause it costs more  
If I had a million dollars  
We wouldn't have to eat Kraft Dinner  
But we would eat Kraft Dinner  
Of course we would, we'd just eat more  
And buy really expensive ketchups with it  
That's right, all the fanciest ke... dijon ketchups!  
Mmmmmm, Mmmm-Hmmm

If I had a million dollars [If I had a million dollars]  
Well, I'd buy you a green dress [But not a real green dress, that's cruel]  
And if I had a million dollars [If I had a million dollars]  
Well, I'd buy you some art [A Picasso or a Garfunkel]  
If I had a million dollars [If I had a million dollars]  
Well, I'd buy you a monkey [Haven't you always wanted a monkey]

If I had a million dollars I'd buy your love

If I had a million dollars, If I had a million dollars  
If I had a million dollars, If I had a million dollars  
If I had a million dollars  
I'd be rich

## **I'm Yours**

By: Jason Mraz

[Verse 1]

Well uh you dawned on me and you bet I felt it,  
I tried to be chill but you're so hot that I melted,  
I fell right through the cracks,  
And now I'm tryin' to get back....

[Verse 2]

Before the cool dun run out, I'll be givin' it my bestest,  
And nothin's gonna stop me but divine intervention  
I reckon it's again my turn,  
To win some or learn some....

[Chorus 1]

But I won't hesitate  
No more, No more  
It cannot wait  
I'm yours

[Verse 3]

Well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find love love love  
Listen to the music of the moment people dance and sing  
We're just one big family  
It's a God forsaken right to be loved loved loved loved loved

[Chorus 2]

There's no need to complicate  
Our time is short  
This is our fate  
I'm yours

[Bridge]

Doo do do doo doo do, doo do doo do doo do  
Do you want to come on?  
Scooch on over closer, dear  
And I will nibble your ear

[Verse 4]

I've been spending way too long checking my tongue in the mirror  
And bending over backwards just to try to see it clearer  
My breath fogged up the glass  
So I drew a new face and laughed

[Verse 5]

I guess what I'm saying is there ain't no better reason  
To rid yourself of vanity and just go with the seasons  
It's what we aim to do  
Our name is our virtue

[Chorus 1]

[Chorus 2]

### **I'm a Believer**

By: The Monkees

I thought love was only true in fairy tales  
Meant for someone else but not for me  
Love was out to get me, that's the way it seemed  
Disappointment haunted all my dreams

[Chorus]

Then I saw her face  
Now I'm a believer  
Not a trace,  
Of doubt in my mind.  
I'm in love, ooh  
I'm a believer I couldn't leave her if I tried.

I thought love was more or less a giving thing  
Seems the more I gave, the less I got  
What's the use in trying all you get is pain.  
When I needed sunshine, I got rain [Chorus 2x]

## **Im Tirtzu**

Music by: Debbie Friedman;  
Text by: Theodore Herzl and Naphtali Herz Imber

Im tirtzu, im tirtzu  
Ayn zo agada, ayn zo agada  
Lih'yot am chofshi b'arzeinu  
B'e—retz, tzi—on, V'rushalayim.

*If you will it, it is no dream.  
To be a free people in our land of Zion and Jerusalem.*

## **Imagine**

By: John Lennon

Imagine there's no heaven, it's easy if you try  
No hell below us, above us only sky.  
Imagine all the people, living for the day. Yoo-hoo...

[Chorus]

You may say I'm a dreamer, but I'm not the only one.  
I hope someday you'll join us, and the world will live as one.

Imagine there's no countries, it isn't hard to do  
Nothing to kill or die for, and no religion too.  
Imagine all the people, living life in peace. Yoo-hoo... [Chorus]

Imagine no possessions – I wonder if you can  
No need for greed or hunger, a brotherhood of man  
Imagine all the people, sharing all the world. Yoo-hoo... [Chorus]

## **Landslide**

By: Fleetwood Mac

Took this love and I took it down  
Climbed a mountain and I turned around  
And I saw my reflection in the snow-covered hills  
Till the landslide brought me down

Oh, mirror in the sky, what is love?  
Can the child within my heart rise above?  
And can I sail through the changing ocean tides  
Can I handle the seasons of my life?  
Oh oh I don't know, oh I don't know

Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes you bolder  
Children get older I'm getting older too  
Yes I'm getting older too, so

I've been afraid of changing  
'Cause I, I've built my life around you  
But time makes you bolder  
Children get older  
I'm getting older too oh  
Yes I'm getting older too

So, take this love, take it down  
Oh if you climb a mountain and you turn around  
If you see my reflection in the snow covered hills  
Well the landslide will bring you down, down  
And if you see my reflection in the snow covered hills

Well maybe the landslide will bring you down  
Well well, the landslide will bring you down

## **Leader of the Band**

By: Dan Fogelberg

An only child alone and wild, a cabinet maker's son  
His hands were meant for different work  
And his heart was known to none.  
He left his home and went his lone and solitary way  
And he gave to me a gift I know I never can repay

A quiet man of music, denied a simpler fate  
He tried to be a soldier once but his music wouldn't wait  
He earned his love through discipline, a thund'ring velvet hand  
His gentle means of sculpting souls took me years to understand

[Chorus]

The leader of the band is tired and his eyes are growing old  
But his blood runs through my instrument  
And his song is in my soul  
My life has been a poor attempt to imitate the man  
I'm just a living legacy to the leader of the band

My brothers' lives were different for they heard another call  
One went to Chicago, the other to St. Paul  
And I'm in Colorado when I'm not in some hotel  
Living out this life I chose and come to know so well

I thank you for the music and your stories of the road  
I thank you for the freedom when it came my time to go  
I thank you for the kindness and the times when you got tough  
And papa I don't think I said "I love you" near enough [Chorus]

## **Lean On Me**

By: Bill Withers

Sometimes in our lives,  
We all have pain, we all have sorrow  
But, if we are wise  
We know that there's always tomorrow

[Chorus]

Lean on me, when you're not strong  
And I'll be your friend,  
I'll help you carry on  
For, it won't be long  
Til I'm gonna need,  
Somebody to lean on

Please swallow your pride  
If I have things you need to borrow  
For no one can fill  
Those of your needs that you won't let show

[Bridge]

You just call on my brother, when you need a hand  
We all need somebody to lean on  
I might just have a problem that you'll understand  
We all need somebody to lean on [Chorus]

If there is a load  
You have to bear, that you can't carry  
I'm right up the road  
I'll share your load if you just call me [Chorus]

## **Leavin' On a Jet Plane**

By: John Denver

All my bags are packed, I'm ready to go.  
I'm standing here outside your door.  
I hate to wake you up to say goodbye.  
But the dawn is breaking and it's early morn,  
Taxi's waitin', he's blowin' his horn,  
Already I'm so lonesome I could cry.

[Chorus]

So kiss me and smile for me.  
Tell me that you'll wait for me.  
Hold me like you'll never let me go.  
I'm leaving on a jet plane.  
Don't know when I'll be back again,  
Oh babe, I hate to go.

There's so many times I've let you down,  
So many times I've played around.  
I tell you now, that they don't mean a thing.  
Every place I go I think of you,  
Every song I sing, I sing for you.  
When I come back, I'll wear your wedding ring. [Chorus]

Now the time has come to leave you.  
One more time, let me kiss you.  
Then close your eyes, and I'll be on my way.  
Dream about the days to come,  
When I won't have to leave alone,  
About the time when I won't have to say... [Chorus]

## **Let It Be**

By: The Beatles

When I find myself in times of trouble,  
Mother Mary comes to me,  
Speaking words of wisdom, let it be.  
And in my hour of darkness  
She is standing right in front of me,  
Speaking words of wisdom, let it be.

[Chorus]

Let it be, let it be, let it be, let it be  
Whisper words of wisdom, let it be

And when the broken hearted people,  
Living in the world agree,  
There will be an answer, let it be.  
For though they may be parted  
There is still a chance that they will see,  
There will be an answer, let it be. [Chorus]

And when the night is cloudy,  
There is still a light that shines on me,  
Shine until tomorrow, let it be.  
I wake up to the sound of music,  
Mother Mary comes to me,  
Speaking words of wisdom, let it be. [Chorus]

## **Lo Alecha**

Lo alecha ham'lacha ligmor, lo alecha ligmor [2x]

V'lo atah ben chorine l'hibateil mimenah V'lo atah ben chorine [2x]

*It is not your duty to complete the work. Neither are you free to desist from it.*

## Lo Yisa Goy

Ayyyyyy ohhhhhh, Ohhhhhh Ayyyyyy [2x]

Lo yisa goy el goy cherev Lo yil'm'du old milchama [2x]

Don't walk in front of me I may not follow  
Don't walk behind me I may not lead  
Just walk beside me and be my friend  
And together we will walk in the land of Hashem.

## Love the One You're With

By: Stephen Stills

If you're down and confused  
And you don't remember who you're talking too  
Concentration slips away  
Cause you're baby is so far away

[Chorus]

Well there's a rose in the fisted glove  
And eagle flies with the dove  
And if you can't be with the one you love honey  
Love the one you're with [4x]

Don't be angry - don't be sad  
Don't sit crying over good times you've had  
There's a girl right next to you  
And she's just waiting for something to do [Chorus]

Doo doo doo doo...

Turn your heartache right into joy  
Cause she's a girl and you're a boy  
Get it together come on make it nice  
You ain't gonna need anymore advice [Chorus]

Doo doo doo doo ...

Az ten shalva veten gam ko'ach  
Lechol eileh shenohav  
Kol shenevakesh - lu yehi

[Chorus]

[Verse 1]

There is still a white sail on the horizon  
Opposite a heavy black cloud  
All that we ask for - may it be  
And if in the evening windows  
The light of the holiday candles flickers  
All that we seek - may it be

[Chorus]

May it be, may it be - Please - may it be  
All that we seek - may it be.

[Verse 2]

What is the sound that I hear?  
The cry of the shofar and the sound of drums  
All that we ask for - may it be  
If only there can be heard within all this  
One prayer from my lips also  
All that we seek - may it be

[Verse 3]

Within a small, shaded neighborhood  
Is a small house with a red roof?  
All that we ask for, may it be  
This is the end of summer, the end of the path  
Allow them to return safely here  
All that we seek, may it be

[Verse 4]

And if suddenly, rising from the darkness  
Over our heads, the light of a star shines  
All that we ask for, may it be  
Then grant tranquility and also grant  
strength  
To all those we love  
All that we seek, may it be

## **Me and Julio Down By the Schoolyard**

By: Paul Simon

Mama pajama rolled out of bed  
And she ran to the police station  
When the papa found out, he began to shout  
And he started the investigation

And it's against the law, it was against the law  
What mama saw, it was against the law

Mama look down and spit on the ground  
Every time my name gets mentioned  
Papa said oy, if I get that boy  
I'm gonna stick him in the house of detention

[Chorus]

Well I'm on my way, I don't know where I'm goin'  
I'm on my way, takin' my time, but I don't know where  
Goodbye to Rosie, the queen of Corona  
Seein' me and Julio down by the schoolyard [2x]

In a couple of days they're gonna take me away  
But the press let the story leak  
Now when the radical priest come to get me released  
We was all on the cover of Newsweek [Chorus]

## **Miriam's Song**

By: Debbie Friedman; Text based on Exodus 15

[Chorus]

And the women dancing with their timbrels  
Followed Miriam as she sang her song  
Sing a song to the One whom we've exalted  
Miriam and the women danced and danced the whole nightlong

And Miriam was a weaver of unique variety  
The tapestry she wove was one, which sang our history  
With every strand and every thread she crafted her delight  
A woman touched by spirit, she dances toward the light [Chorus]

When Miriam stood upon the shores and gazed across the sea  
The wonder of this miracle she soon came to believe  
Whoever thought the sea would part with an outstretched hand?  
And we would pass to freedom and march to the Promised Land [Chorus]

And Miriam the prophet took her timbrel in her hand  
And all the women followed her just as she had planned  
And Miriam raised her voice in song she sang with praise and might  
"We've just lived through a miracle, we're going to dance tonight!" [Chorus]

## Moonshadow

By: Cat Stevens

[Chorus]

Oh, I'm bein' followed by a moonshadow,  
Moonshadow, moonshadow  
Leapin and hoppin' on a moonshadow,  
Moonshadow, moonshadow

And if I ever lose my hands,  
lose my plough, lose my land,  
Oh if I ever lose my hands,  
Oh if----- I won't have to work no more.

And if I ever lose my eyes,  
if my colors all run dry,  
Yes if I ever lose my eyes,  
Oh if----- I won't have to cry no more [Chorus]

And if I ever lose my legs,  
I won't moan, and I won't beg,  
Yes if I ever lose my legs,  
Oh if----- I won't have to walk no more.

And if I ever lose my mouth,  
All my teeth, north and south,  
Yes if I ever lose my mouth,  
Oh if----- I won't have to talk no more

Did it take long to find me?  
I asked the faithful light.  
Did it take long to find me?  
And are you gonna stay the night? [Chorus]

## MTA

By: Jacqueline Steiner and Bess Hawes

Now let me tell you of a story 'bout a man named Charlie  
On this tragic and fateful day  
He put 10 cents in his pocket kissed his wife and family  
Went to ride on the M.T.A.

[Chorus]

But did he ever return?  
No, he never returned  
And his fate is still unlearned  
He may ride forever through the streets of Boston  
He's the man who never returned

Charlie handed in his dime at the Kendall Square Station  
And he changed for Jamaica Plain  
When he got there the conductor told him, "One more nickel!" Charlie  
couldn't get off that train [Chorus]

Now all night long Charlie rides through the tunnel  
Saying "What will become of me?  
How can I afford to see my sister in Chelsea  
Or my cousin in Roxbury?" [Chorus]

Charlie's wife goes down to the Scollay Square Station  
Every day at quarter past two  
And thru the open window she hands Charlie a sandwich  
As the train comes rumblin' thru [Chorus]

Now you citizens of Boston, don't you think it's a scandal  
That the people have to pay and pay?  
Fight the far increase, vote for *whomever you please*  
And get Charlie off the M.T.A.!!! [Chorus]

*Traditionally "vote for George O'Brian"*

## **No Woman No Cry**

By: V. Ford [performed by Bob Marley]

[Chorus]

No woman no cry, no woman no cry  
No woman no cry, no woman no cry

Said I remember when we used to sit  
In the government yard in Trenchtown  
Oba, oba-serving all the hypocrites  
As they would mingle with the good people we meet  
Good friends we have had, oh good friends we've lost  
Along the way  
In this bright future you can't forget your past  
So dry your tears I say [Chorus]

Said I remember when we used to sit  
In the government yard in Trenchtown  
And then Georgie would make the fire light  
Log wood burnin' through the night  
Then we would cook corn meal porridge  
Of which I'll share with you  
My feet is my only carriage  
So I've got to push on through  
But while I'm gone...

Everything's gonna be alright [4x] [Chorus]

## **Not By Might**

Music: Debbie Friedman

Text: Zechariah 4:6

Not by might and not by power,  
But by spirit alone, shall we all live in peace [2x]

The children sing, the children dream  
And their tears may fall, but we'll hear them call and  
Another song will rise [3x]

Not by might, not by power, shalom!

## **Not Fade Away**

By: Buddy Holly

[Verse 1]

I'm gonna tell you how it's gonna be,  
You're gonna give your love to me,  
I wanna love you night and day,  
You know my love will not fade away

[Verse 2]

My love is bigger than a Cadillac,  
I try to show you but you drive me back,  
Your love for me has got to be real,  
Your gonna know just how I feel. [Verse 1]

## **Old Man**

By: Neil Young

Old man look at my life, I'm a lot like you were [2x]

Old man look at my life  
Twenty four and there's so much more  
Live alone in a paradise  
That makes me think of two  
Love lost, such a cost,  
Give me things that don't get lost.  
Like a coin that won't get tossed  
Rollin' home to you.

[Chorus]

Old man take a look at my life I'm a lot like you  
I need someone to love me the whole day through  
Oh, one look in my eyes and you can tell that's true.

Lullabies look in your eyes,  
Run around the same old town.  
Doesn't mean that much to me  
To mean that much to you  
I've been first and last  
Look at how the time goes past.  
But I'm all alone at last.  
Rolling home to you [Chorus]

Old man look at my life, I'm a lot like you were [2x]

## **One Tin Soldier**

By: Dennis Lambert and Brian Potter

Listen children to a story that was written long ago  
'Bout a kingdom on a mountain, and the valley folk below  
On the mountain was a treasure buried deep beneath a stone  
And the valley people swore they'd have it for their very own.

[Chorus]

Go ahead and hate your neighbor, go ahead and cheat a friend  
Do it in the name of heaven, you can justify it in the end  
There won't be any trumpets blowing, come the judgment day  
On the bloody morning after - one tin soldier rides away.

So the people of the valley sent a message up the hill  
Asking for the buried treasure, tons of gold for which they'd kill  
Came an answer from the kingdom: "With our brothers we will share  
All the secrets of our mountain, all the riches buried there." [Chorus]

Now the valley cried with anger, mount your horses, draw your swords!  
And they killed the mountain people, sure they'd won their just reward  
Now they stood beside the treasure on the mountain dark and red  
Turned the stone and looked beneath it - "Peace on Earth" was all it said. [Chorus]

## **Part Of the Plan**

By: Dan Fogelberg

I have these moments so steady and strong,  
I'm feeling so holy and humble.  
The next thing I know I'm all worried and weak  
And I feel myself starting to crumble.  
Meanings get lost and the teachings get tossed  
You don't know what you're gonna do next.  
Wait for the sun but it never quite comes.  
Some kind of message comes through to you.  
Some kind of message comes through and it says to

[Chorus]

Love when you can, cry when you have to.  
Be who you must that's a part of the plan.  
Await your arrival with simple survival  
One day we'll all understand [3x]

I had a woman, who gave me her soul,  
But I wasn't ready to take it.  
Her heart was so fragile and heavy to hold  
And I was afraid I might break it.  
Your conscience awakes and you see your mistakes,  
And you wish someone would buy your confessions.  
Days miss their mark and the night gets so dark.  
And some kind of message gets through to you,  
Some kind of message comes through [Chorus]

There is no Eden or heavenly gate  
That your gonna make it to one day.  
All of the answers you seek can be found  
In the dreams you dream along the way

## **Peace Train**

By: Cat Stevens

Now I've been happy lately, thinking about the good things to come  
And I believe it could be, something good has begun  
Oh I've been smiling lately, dreaming about the world as one  
And I believe it could be, some day it's going to come

'Cause out on the edge of darkness, there rides a peace train  
Oh peace train take this country, come take me home again  
Now I've been smiling lately, thinking about the good things to come  
And I believe it could be, something good has begun

[Chorus]

Oh peace train sounding louder  
Glide on the peace train oh ah ee ah oh ah  
Come on now peace train  
Yes, peace train Holy Roller  
Everyone jump on the peace train oh ah ee ah oh ah  
Come on now peace train

Get your bags together, go bring your good friends too  
'Cause it's getting nearer, it soon will be with you  
Now come and join the living, it's not so far from you  
And it's getting nearer, soon it will all be true

Oh peace train sounding louder  
Glide on the peace train oh ah ee ah oh ah  
Come on now peace train, peace train

Now I've been crying lately, thinking about the world as it is  
Why must we go on hating, why can't we live in bliss  
'Cause out on the edge of darkness, there rides a peace train  
Oh peace train take this country, come take me home again [Chorus]

## **Puff the Magic Dragon**

By: Peter Paul and Mary, Last verse by: Jack Kosoff

Puff, the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called  
Honah Lee Little Jackie Paper loved that rascal Puff,  
And brought him strings and sealing wax and other fancy stuff

[Chorus]

Puff, the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called Honah Lee

Together they would travel on a boat with billowed sail  
And Jackie kept a lookout perched on Puff's gigantic tail,  
Noble kings and princes would bow whenever they came,  
Pirate ships would lower their flags when Puff roared out his name.

[Chorus]

A dragon lives forever but not so little boys  
Painted wings and giant rings make way for other toys.  
One grey night it happened, Jackie Paper came no more  
And Puff that mighty dragon, he ceased his fearless roar.

[Chorus]

His head was bent in sorrow, green scales fell like rain,  
Puff no longer went to play along the cherry lane.  
Without his life-long friend, Puff could not be brave,  
So Puff that mighty dragon, he slipped into his cave. [Chorus]

The moral of the story is we all grow up some day.  
The things we had when we were young must all be put away.  
So don't cry for the dragon, believe me when I say,  
"Puff will be there brave and strong when our kids come to play."

[Chorus]

## **Ramblin' Man**

By: The Allman Brothers Band

[Chorus]

Lord, I was born a ramblin' man  
Trying to make a living and doing the best I can  
When it's time for leaving, I hope you'll understand  
That I was born a rambling man

My father was a gambler down in Georgia  
He wound up on the wrong end of a gun  
And I was born in the back seat of a Greyhound bus  
Rolling down highway forty-one [Chorus]

I'm on my way to New Orleans this morning  
Leaving out of Nashville, Tennessee  
They're always having a good time down on the bayou,  
Lord Them delta women think the world of me [Chorus]

## **Redemption Song**

By: Bob Marley

Oh pirates yes they rob I;  
Sold I to the merchant ships,  
Minutes after they took I  
From the bottomless pit.

But my hand was made strong  
By the hand of the Almighty.  
We forward in this generation  
Triumphantly.

[Chorus]

Won't you help to sing these songs of freedom  
'Cause all I ever have:  
Redemption songs  
Redemption songs.

Emancipate yourselves from mental slavery;  
None but ourselves can free our minds.  
Have no fear for atomic energy,  
'Cause none of them can stop the time.

How long shall they kill our prophets?  
While we stand aside and look? Ooh!  
Some say it's just a part of it:  
We've got to fulfill the book [Chorus]

## **Salaam**

## **Save Tonight**

By Eagle-Eye Cherry

Go on and close the curtains  
All we need is candlelight  
You and me and a bottle of wine  
Gonna hold you tonight

Well we know I'm going away  
How I wish... I wish it weren't so  
Take this wine and drink with me  
Lets delay our misery

[Chorus]

Save tonight and fight the break of dawn  
Come tomorrow, tomorrow I'll be gone [2x]

There's a log on the fire  
And it burns like me for you  
Tomorrow comes with one desire  
To take me away, oh it's true

It ain't easy to say goodbye  
Darling please don't start to cry  
'Cause girl you know I got to go  
And lord I wish it wasn't so [Chorus]

Tomorrow comes to take me away  
I wish that I, that I could stay  
Girl you know I got to go  
Lord I wish it wasn't so [Chorus]

## **Show The People**

By: James Taylor

You can play the game and you can act out the part  
Though you know it wasn't written for you  
But tell me, how can you stand there with your broken heart  
Ashamed of playing the fool  
One thing can lead to an-other; it doesn't take any sac-ri-fice  
Oh, father and mother, sis-ter and brother,  
If it feels nice, don't think twice

[Chorus]

Just shower the people you love with love  
Show them the way that you feel  
Things are gonna work out fine if you only will  
Shower the people you love with love  
Show them the way that you feel  
Things are gonna be much better if you only will

You can run but you cannot hide; this is widely known  
And what you plan to do with your foolish pride  
When you're all by yourself alone  
Once you tell somebody the way that you feel  
You can feel it beginning to ease  
I think it's true what they say about the squeaky wheel  
Always getting the grease [Chorus]

## **Sim Shalom**

Sim shalom tova u'vracha  
Sim shalom tova u'vracha  
Chein v'chesed v'rachamim [2x]

Aleinu v'al kol Yisrael amecha, sim shalom  
Aleinu v'al kol Yisrael amecha, sim shalom

Sim shalom tova u'vracha  
Sim shalom tova u'vracha  
Shalom

*Grant us peace, Your most precious gift, O God of all Israel.  
Grant us peace.*

## **Southern Cross**

By: Crosby, Stills, and Nash

Got out of town on a boat goin' to Southern islands.  
Sailing a reach before a followin' sea.  
She was makin' for the trades on the outside,  
And the downhill run to Papaete.  
Off the wind on this heading lie the Marquesas.  
We got eighty feet of the waterline nicely making way.  
In a noisy bar in Avalon I tried to call you.  
But on a midnight watch I realized why twice you ran away.

[Chorus]

Think about how many times I have fallen  
Spirits are using me larger voices callin'.  
What heaven brought you and me cannot be forgotten.  
I have been around the world,  
Lookin' for that woman, girl,  
Who knows love can endure.  
And you know it will.  
And you know it will.

When you see the Southern Cross for the first time  
You understand now why you came this way  
'Cause the truth you might be running from is so small.  
But it's as big as the promise the promise of a coming day  
So I'm sailing for tomorrow my dreams are dying  
And my love is an anchor tied to you, tied with a silver chain.  
I have my ship and all her flags are flying  
She is all that I have left and music is her name. [Chorus]

So we cheated and we lied and we tested  
And we never failed to fail it was the easiest thing to do.  
You will survive being bested.  
Somebody fine will come along  
Make me forget about loving you,  
At the Southern Cross.

## **Sugar Mountain**

By: Neil Young

[Chorus]

Oh, to live on Sugar Mountain  
With the barkers and the colored balloons,  
You can't be twenty on Sugar Mountain  
Though you're thinkin' that you're leavin' there too soon,  
You're leavin' there too soon.

It's so noisy at the fair  
But all your friends are there  
And the candyfloss you had  
And your mother and your dad [Chorus]

There's a girl just down the aisle,  
Oh, to turn and see her smile.  
You can hear the words she wrote  
As you read the hidden note [Chorus]

Now you're underneath the stairs  
And you're givin' back some glares  
To the people who you met  
And you don't smoke cigarettes [Chorus]

Now you say you're leavin' home  
'Cause you want to be alone.  
Ain't it funny how you feel  
When you're findin' out it's real? [Chorus]

## Sweet Baby James

By: James Taylor

There is a young cowboy he lives on the range  
His horse and his cattle are his only companions  
He works in the saddle and he sleeps in the canyons  
Waiting for summer, his pastures to change?

And as the moon rises he sits by his fire  
Thinking about women and glasses of beer  
And closing his eyes as the doggies retire  
He sings out a song which is soft but it's clear  
As if maybe someone could hear?

[Chorus]

Goodnight you moonlight ladies  
Rockabye sweet baby James  
Deep greens and blues are the colors I choose  
Won't you let me go down in my dreams?  
And rockabye sweet baby James

Now the first of December was covered with snow  
And so was the turnpike from Stockbridge to Boston  
The Berkshires seemed dreamlike on account of that frosting  
With ten miles behind me and ten thousand more to go?

There's a song that they sing when they take to the highway  
A song that they sing when they take to the sea  
A song that they sing of their home in the sky  
Maybe you can believe it if it helps you to sleep  
But singing works just fine for me [Chorus]

## Swing Life Away

By: Rise Against

Am I loud and clear, or am I breaking up  
Am I still your charm, or am I just bad luck  
Are we getting closer, or are we just getting more lost

I'll show you mine, if you'll show me yours first  
Let's compare scars, I'll tell you who's is worse  
Let's unwrite these pages and replace them with our own words

[Chorus]

We live on front porches and swing life away  
We get by just fine here on minimum wage  
If love is a labor I'll slave 'till the end  
I won't cross these streets until you hold my hand

Been here so long, think that it's time to move  
The winter's so cold, summer's over too soon  
Let's pack our bags and settle down where palm trees grow

I've got some friends, some that I hardly know  
But we've had some times, I wouldn't trade for the world  
We chased these days down with talks of the places that we will go [Chorus]

Swing life away [x4]

## **Take Me Home Country Roads**

By: John Denver, Bill Danoff, and Taffy Nivert

Almost heaven, West Virginia  
Blue Ridge Mountains, Shenandoah River  
Life is old there, older than the trees  
Younger than the mountains, blowing like a breeze

[Chorus]

Country roads, take me home  
To the place, I belong  
West Virginia, mountain mama  
Take me home, country roads

All my memories, gather 'round her  
Miner's lady, stranger to blue water  
Dark and dusty, painted on the sky  
Misty taste of moonshine, teardrops in my eyes [Chorus]

I hear her voice, in the mornin' hours she calls to me  
The radio reminds me of my home far away  
And drivin' down the road  
I get a feeling that I should have been home yesterday, yesterday [Chorus]

## **Teach Your Children**

By: Crosby, Stills, Nash and Young

You, who are on the road, must have a code that you can live by  
And so become yourself because the past is just a good-bye

Teach your children well, their father's hell did slowly go by  
And feed them on your dreams, the one they picks, the one you'll know by.

[Chorus 1]

Don't you ever ask them why, if they told you, you will cry,  
So just look at them and sigh, and know they love you.

And you, of tender years, can't know the fears that your elders grew by,  
And so please help them with your youth, they seek the truth before they can die.

[Chorus 2]

Teach your parents well, their children's hell will slowly go by,  
And feed them on your dreams, the only one they picks, the one you'll know by.

## **The Best I Ever Had**

By: Vertical Horizon

So you sailed away  
Into a grey sky morning  
Now I'm here to stay  
Love can be so boring  
Nothing's quite the same now  
I just say your name now

[Chorus]

But it's not so bad  
You're only the best I ever had  
You don't want me back  
You're just the best I ever had

So you stole my world  
Now I'm just a phony  
Remembering the girl  
Leaves me down and lonely

Send it in a letter  
Make yourself feel better [Chorus]

[Bridge]

And it may take some time to  
Patch me up inside  
But I can't take it so I  
Run away and hide  
And I may find in time that  
You were always right  
You're always right

So you sailed away  
Into a grey sky morning  
Now I'm here to stay  
Love can be so boring

What was it you wanted?  
Could it be I'm haunted? [Chorus]

## The General

By: Dispatch

There was a decorated general with a heart of gold  
They likened him to all the stories he told  
Of past battles won and lost and legends of old  
A seasoned veteran in his own time

On the battlefield he gained respect for fame  
With many medals of bravery and stripes to his name  
He grew a beard as soon as he could to cover the scars on his face  
And always urged his men on

But on the eve of great battle with the infantry in dream  
The old general tossed in his sleep a lesson with its meaning  
He awoke from the night to tell what he had seen  
And walked slowly out his tent

All the men held tall with their chests in the air  
With the courage in their blood and the fire in their stare  
And it was a grey morning and they all wondered how they would fare  
Till the old general told them to go home. He said....

[Chorus]

I have seen the others and I have discovered  
That this fight is not worth fighting  
And I've seen their mothers and I will no other  
To follow me where I'm going, so

Take a shower and shine your shoes  
You got no time to lose  
You are young men you must be living  
Go now you are forgiven

But the men stood fast with their guns on their shoulders  
Not knowing what to do with contradicting orders  
The general said he would do his own duty but extended it no further  
The men could go as they pleased  
But not a man moved their eyes gazed straight ahead  
Till one by one they stepped back and not a word was said  
The old general was left with his own words echoing in his head  
He then prepared to fight [Chorus]

## **The Mighty Quinn**

By: Bob Dylan

[Chorus]

Come all without, come all within  
You'll not see nothing like the Mighty Quinn [2x]

Everybody's building ships and boats  
Some are building monuments, others jotting down notes.  
Everybody's in despair, every girl and boy  
But when Quinn the Eskimo gets here,  
Everybody's gonna jump for joy [Chorus]

I like to go just like the rest,  
I like my sugar sweet  
But jumping queues and making haste, just ain't my cup of meat.  
Everyone's beneath the trees, feeding pigeons on a limb  
But when Quinn the Eskimo gets here,  
All the pigeons gonna run to him [Chorus]

Let me do what I wanna do, I can recite 'em all  
Just tell me where it hurts and I'll tell you who to call.  
Nobody can get no sleep, there's someone on everyone's toes.  
But when Quinn the Eskimo gets here,  
Everybody's gonna wanna doze. [Chorus]

## The Times They Are A-Changin'

By: Bob Dylan

Come gather 'round people  
Wherever you roam  
And admit that the waters  
Around you have grown  
And accept it that soon  
You'll be drenched to the bone  
If your time to you  
Is worth savin'  
Then you better start swimmin'  
Or you'll sink like a stone  
For the times they are a-changin'.

Come writers and critics  
Who prophesize with your pen  
And keep your eyes wide  
The chance won't come again  
And don't speak too soon  
For the wheel's still in spin  
And there's no tellin' who  
That it's namin'  
For the loser now  
Will be later to win  
For the times they are a-changin'.

Come senators, congressmen  
Please heed the call  
Don't stand in the doorway  
Don't block up the hall  
For he that gets hurt  
Will be he who has stalled  
There's a battle outside  
And it is ragin'  
It'll soon shake your windows  
And rattle your walls  
For the times they are a-changin'.

Come mothers and fathers  
Throughout the land  
And don't criticize  
What you can't understand  
Your sons and your daughters  
Are beyond your command

Your old road is  
Rapidly agin'  
Please get out of the new one  
If you can't lend your hand  
For the times they are a-changin'.

The line it is drawn  
The curse it is cast  
The slow one now  
Will later be fast  
As the present now  
Will later be past  
The order is  
Rapidly fadin'  
And the first one now  
Will later be last  
For the times they are a-changin'.

## The Weight

By: The Band

I pulled into Nazareth, I was feelin' about half past dead;  
I just need some place where I can lay my head.  
"Hey, mister, can you tell me where a man might find a bed?"  
He just grinned and shook my hand, and "No!", was all he said.

[Chorus]

Take a load off Fannie,  
Take a load for free;  
Take a load off Fannie,  
And you put the load right on me.

I picked up my bag, I went lookin' for a place to hide;  
When I saw Carmen and the Devil walkin' side by side.  
I said, "Hey, Carmen, come on, let's go downtown."  
She said, "I gotta go, but m'friend can stick around." [Chorus]

Go down, Miss Moses, there's nothin' you can say  
It's just ol' Luke, and Luke's waitin' on the Judgment Day.  
"Well, Luke, my friend, what about young Anna Lee?"  
He said, "Do me a favor, son, wontcha stay an' keep Anna Lee company?"  
[Chorus]

Crazy Chester followed me, and he caught me in the fog.  
He said, "I will fix your rags, if you'll take Jack, my dog."  
I said, "Wait a minute, Chester, you know I'm a peaceful man."  
He said, "That's okay, boy, won't you feed him when you can." [Chorus]

Catch a Cannonball, now, t'take me down the line  
My bag is sinkin' low and I do believe it's time.  
To get back to Miss Annie, you know she's the only one.  
Who sent me here with her regards for everyone. [Chorus]

## **Under The Bridge**

By: The Red Hot Chili Peppers

Sometimes I feel like I don't have a partner  
Sometimes I feel like my only friend  
Is the city I live in, the city of angels  
Lonely as I am together we cry

I drive on her streets 'cause she's my companion  
I walk through her hills 'cause she knows who I am  
She sees my good deeds and she kisses me windy  
I never worry now that is a lie

[Chorus]

I don't ever want to feel like I did that day  
Take me to the place I love take me all the way [2x]

It's hard to believe there's nobody out there  
It's hard to believe that I'm all alone  
At least I have her love the city she loves me

## Wagon Wheel

By: Old Crow Medicine Show

Headed down south to the land of the pines  
I'm thumbin' my way into North Caroline  
Staring at the road, pray to G-d I see headlights  
I made down the coast in seventeen hours  
Pickin' a bouquet of dogwood flowers and  
I'm hopin' to Raliegh I can see my baby tonight

[Chorus]

So rock me mama like a wagon wheel  
Rock me mama any way you feel  
Hey mama rock me  
Rock me mama like the wind and the rain  
Rock me mama like a southbound train  
Hey mama rock me

Runnin from the cold up in New England  
I was born to be a fiddler in an old time string band  
My baby plays the guitar I pick the banjo now  
O the North Country winters keep getting' me  
I lost my money playin' poker so I had to up and leave  
But I ain't turning back to live that old life no more [Chorus]

Welcome to the south out of Roanoke  
I caught a trucker out of Philly told a nice long joke  
But he's headed west from the Cumberland Gap To Johnson City, Tennessee  
I gotta get a move on pray for the sun  
I hear my baby callin' my name and I know that she's the only one  
And if I die in Raleigh at least I will die free [Chorus]

## **Waste**

By: Phish

Don't wanna be an actor, pretending on the stage  
Don't wanna be a writer, with my thoughts out on a page  
Don't wanna be a painter, cause everyone comes to look  
Don't wanna be anything where my life's an open book

I dream it's true... I see it through...

[Chorus 1]

If I could be [if I could be]  
Wasting my time, with you.

Don't wanna be a farmer, working in the sun  
Don't wanna be an outlaw, always on the run  
Don't wanna be a climber, reaching for the top  
Don't wanna be anything where I don't know when to stop

I dream it's true...I see it through... [Chorus 1]

So if I'm inside your head,  
Don't believe what you might have read  
You'll see what I might have said,  
To hear it

[Chorus 2]

Come waste, your time with me [2x]

So if I'm inside your head,  
Don't believe what you might have read  
You'll see what I might have said,  
To hear it [Chorus 2]

## **What a Wonderful World**

By: Louis Armstrong

I see trees of green, red roses too  
I see them bloom for me and you  
And I think to myself  
What a wonderful world

I see skies of blue and clouds of white  
The bright blessed day, the dark sacred night  
And I think to myself  
What a wonderful world

The colors of the rainbow so pretty in the sky  
Are also on the faces of people going by  
I see friends shaking hands saying how do you do  
They're really saying I love you

I hear babies crying, I watch them grow  
They'll learn much more than I'll never know  
And I think to myself  
What a wonderful world  
Yes I think to myself  
What a wonderful world

## **Wish You Were Here**

By: Pink Floyd

So, so you think you can tell,  
Heaven from Hell, blue skies from pain.  
Can you tell a green field from a cold steel rail?  
A smile from a veil, do you think you can tell?

And did they get you to trade your heroes for ghosts,  
Hot ashes for trees, hot air for a cool breeze,  
Cold comfort for change, did you exchange?  
A walk on part in the war for a lead role in a cage?

How I wish, how I wish you were here.  
We're just two lost souls swimming in a fish bowl, year after year,  
Running over the same old ground. What have we found?  
The same old fears. Wish you were here.

## **With A Little Help From My Friends**

By: The Beatles

What would you think if I sang out of tune,  
Would you stand up and walk out on me?  
Lend me your ears and I'll sing you a song,  
And I'll try not to sing out of key.

[Chorus]

Oh, I get by with a little help from my friends,  
Mmm, I get by with a little help from my friends,  
Mmm, I'm gonna try with a little help from my friends.

What do I do when my love is away?  
Does it worry you to be alone?  
How do I feel by the end of the day?  
Are you sad because you're on your own? No... [Chorus]

Do you need anybody?  
I need somebody to love.  
Could it be anybody?  
I want somebody to love.

Would you believe in a love at first sight?  
Yes I'm certain that it happens all the time.  
What do you see when you turn out the light?  
I can't tell you, but I know it's mine. [Chorus]

Do you need anybody?  
I just need someone to love.  
Could it be anybody?  
I want somebody to love. [Chorus]

Yes I get by with a little help from my friends  
With a little help from my friends.

## Wonderwall

By: Oasis

Today is gonna be the day that they're gonna throw it back to you  
By now you should've somehow realized what you gotta do  
I don't believe that anybody feels the way I do  
About you now

Backbeat, the word is on the street that the fire in your heart is out  
I'm sure you've heard it all before but you never really had a doubt  
I don't believe that anybody feels the way I do  
About you now

And all the roads we have to walk are winding  
And all the lights that lead us there are blinding  
There are many things that I  
Would like to say to you but I don't know how

[Chorus]

Because maybe, you're gonna be the one that saves me  
And after all, you're my wonderwall

Today was gonna be the day but they'll never throw it back to you  
By now you should've somehow realized what you're not to do  
I don't believe that anybody feels the way I do  
About you now

And all the roads that lead you there were winding  
And all the lights that light the way are blinding  
There are many things that I would like to say to you,  
But I don't know how [Chorus]

## **Yellow Submarine**

By: The Beatles

In the town where I was born  
Lived a man who sailed to sea  
And he told us of his life  
In the land of submarines

So we sailed up to the sun  
Till we found the sea of green  
And we lived beneath the waves  
In our yellow submarine

[Chorus]

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

And our friends are all on board  
Many more of them live next door  
And the band begins to play [Chorus]

As we live a life of ease  
Every one of us has all we need  
Sky of blue and sea of green  
In our yellow submarine [Chorus]

## **Yoshimi Battles the Pink Robots Pt. 1**

By: The Flaming Lips

Her name is Yoshimi - she's a black belt in karate  
Working for the city - she has to discipline her body  
Cause she knows that it's demanding  
To defeat those evil machines I know she can beat them

[Chorus]

Oh Yoshimi - They don't believe me  
But you won't let those robots defeat me [2x]

Those evil natured robots - they're programmed to destroy us  
She's gotta be strong to fight them - So she's taking lots of vitamins  
Cause she knows that it'd be tragic, if those evil robots win,  
I know she can beat them [Chorus]

## **You've Got a Friend**

By: Carole King

When you're down and troubled, and you need a helping hand,  
And nothing, oh, nothing is going right,  
Close your eyes and think of me, and soon I will be there  
To brighten up even your darkest night.

[Chorus]

You just call out my name, and you know wherever I am,  
I'll come running to see you again.  
Winter, spring, summer, or fall, all you got to do is call  
And I'll be there, yeah, yeah, yeah.  
You've got a friend.

If the sky above you should turn dark and full of clouds,  
And that old north wind should begin to blow,  
Keep your head together and call my name out loud.  
Soon I'll be knocking upon your door. [Chorus]

Hey ain't it good to know that you've got a friend  
When people can be so cold.  
They'll hurt you and desert you.  
Well, they'll take your soul if you let them.  
Oh yeah, but don't you let them. [Chorus]
